

Binge watching has hit critical mass in the United States.

Nearly three-quarters—73%—of Americans said they binge-watched videos, either on TV or another device, found a survey by Deloitte, including a staggering 90% of US millennials. And 38% of those millennials also said they binge-watched pretty much every week.

Binge Watch TV Show is designed to become a must see TV and keep you in touch with what America and the world should be binge-watching. From behind the scenes interviews, production updates, and everything you need to know about your favorite TV shows and movies appearing on all different platforms. We bring you what's taking place and what's hot from Netflix, Hulu, Amazon Prime, Roku, Apple TV, Disney +, HBO Plus, and other binge-watch platforms.

Binge Watch TV is produced by Camacho Productions and distributed by Ortiz Media Group.
