

The direct domestic & international traveler spending in 2019 totaled roughly \$1.1 trillion. Travel and Tourism does play a key role in the country's economy. Over 79.3 million people visited the United States in 2019. The average U.S. tourist spends over \$6,000 abroad, while the average overseas traveler spent over \$3,700 in the U.S.

Let's face it. We love to travel. The VIP Traveler TV show brings both national and international destinations in a unique style with behind the scenes of the most luxury tourism packages available.

Join our weekly destinations as we travel via private jet, yacht, and visit the most beautiful beaches, resorts, and hottest destinations worldwide.

The VIP Traveler is produced by Camacho Productions and distributed by Ortiz Media Group.
